

IN REVIEW

On Feb 14th, we celebrated *Trifecta* Sunday as Valentines Day, Chinese New Year, and the opening weekend of the Vancouver 2010 Winter Olympics all came together in a beautiful collision! As you can tell by the pictures on the left, we had a great time celebrating the Trifecta. The Sunday Service message was on the Olympics, the kid's talk included a Chinese Lion-head dance, and lunch consisted of a plethora of Valentine-infused treats and desserts. We even had a Wedding Cake!

In our Sunday morning gatherings during the month of January, Pastor Albert explored the life and person of the Biblical character of Joseph. In February, we began a new sermon series on the **Olympics**. What do sports, competition, nationalism, and winning have to do with our Christian walk and theology? Listen in as all the sermons are on the podcast. And for a heads up, with March 7th being Oscar Sunday, Pastor Al will be looking at the theology of "**Avatar**" with a reel sermon on the movie "UP!" The week after!
