

IN REVIEW

May 29th marked the inaugural start of a new ministry at the Tapestry. *Revere* aims to rekindle a raw pursuit of reverence and love for God through full-tilt worship. As you can tell from the pics on the left, it was an awesome night of song, prayer, and worship. Follow *Revere* on-line at <http://www.facebook.com/revereworship>.

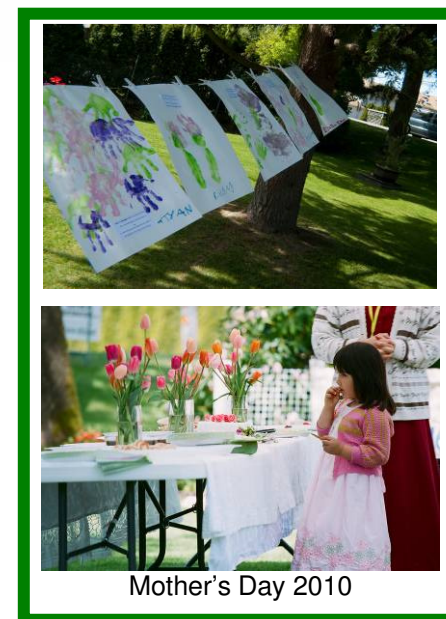

Also, that same weekend (May 30 – June 1st at Rivendell Retreat Centre on Bowen Island) marked the first of many Summer Spiritual Retreats for this year. Although it was only for 2 days, the fresh air, the walks, and the quiet, gave participants time to 'let our souls catch-up to us.' From one participant who escaped to the quiet of Rivendell: "*Great time to unwind and forget the stress of life! I loved it! Thanks Kathy for your presence and encouragement. Let's do it again!*" Next retreat is a one-day beach adventure on June 25th.
