## SEPTEMBER IN REVIEW

What a September! The beginning of the new scholastic year brought students and their families new schools, new teachers, new schedules, and a new curriculum. The same was also true for our TapKid's program as we are blessed to be bursting at the seams with kids everywhere! Many thanks to all the TapKid teachers and helpers for being involved in this uber-important ministry.

Maybe as a correlation to the above (haha!), September was also wedding month as we celebrated the weddings of three couples at the Tap! Congrats to Peter and Nancy, Steve and Stef, and Linwood and Winnie!

Also, congratulations to Pastor Kathy who, after her examination at the BC Northwest fall classis meeting, is now ordained as a Ministry Associate in the Christian Reformed Church!

## WHAT'S ON TAP?

- 1. PARABLES** – This fall, our small groups are following a curriculum entitled “*Modern Parables: Living in the Kingdom of God.*” It is an original film-based Bible study curriculum on Jesus’ parables. We have nine small groups meeting throughout the week, and it’s still not too late to join! Our fall sermon series is also following the same curriculum, and all sermons can be found on the podcast.
- 2. TAP CARE WORKSHOPS (10:00 – 11:00 a.m. on Oct 3rd and Oct 17th)** Tap Care is offering a series of workshops looking at some of the most common problems we all face, either in our own lives or in the lives of the people we live and care for. For October, we will be looking at depression. Through the workshops, we hope to develop an understanding and awareness of depression, and also to offer helpful skills and tools for coping in this difficult season of life.
- 3. NOAH'S FEST** - Looking for a safe and fun environment to enjoy Halloween as a family? The Tapestry is holding its annual Noah's Fest at 6:00pm - 8:00pm on **Sat. October 31<sup>st</sup>**. There'll be games, face painting, and some singing as well as plenty of candy and prizes to be won! We welcome children of all ages to come and participate dressed up as their favorite animal! Admission is free!
- 4. ART@NIGHT (7:30 p.m. Sat. Nov. 7th)** – Join us for our first Art@Night. A night of art, music, wine and cheese as we benefit from the art and sharing of Erika Koenig Workman ([www.erikakoenigworkman.com](http://www.erikakoenigworkman.com)), a local artist in Richmond.
